The Board of Directors of the DC Hall of Fame realizes that this is a very uncertain and uneasy time for many, because we do not know the pace or scope of additional Coronavirus COVID-19 cases in the DMV area. Our number one goal is to keep everyone safe during this time. Therefore, the DC Hall of Fame Society has decided to postpone its 20th Annual Awards Program. **The program will not be held on Sunday, April 19th at the National Press Club.**

As we learn more information from government and health officials, we will secure a later date in the 2020 calendar year, to induct our Honorees into the DC Hall of Fame Society. Individuals and organizations that have already bought tickets, ads or sponsorships for April 19th will have their purchases honored at the rescheduled event. It is our sincere hope that you will be able to attend the gala when it is rescheduled.

As soon as the government and health officials have evidence to show that it is safe for large groups of people to gather in one space, we will work with the National Press Club to secure a date for the awards gala. Once the new date is scheduled, we will immediately reach out to the inductees, family members, friends, and supporters.

While we are thrilled to induct the newest members to the DC Hall of Fame Society, your safety is our number one concern. We apologize for any scheduling inconveniences that this may cause. We will continue to monitor the situation and plan accordingly. Thank you for your understanding and thank you for your support in helping to keep everyone safe during this time.
